From 1898/99 until the mid 1950s, up to twenty-one Vice-Presidents were elected at each Annual General Meeting. As such, only the Vice-President that was elected since the introduction of the Board of Control, and later the Management Committee, have been included in this table.

The Association suspended its competition in 1907/08 due to lack of interest and from 1915/16 - 1918/19 and 1941/42 - 1944/45 due to the World Wars.
